Fall 2017

## We are Excited to Announce our New RTP Branch Location Coming Spring 2018!

Our RTP Branch, currently located at 21 Park Drive in Research Triangle Park, will be relocating to our new building located at 384 Davis Drive, Durham, NC 27703. This is at the corner of Davis Drive and Hopson Road. Currently under construction, our new location is expected to open in early Spring of 2018. In addition, our administrative offices will also be housed at this location.

**As the construction progresses, we will keep everyone informed.**

“We are extremely excited to offer this new facility to our membership. After other prospective locations for a permanent location didn’t work out, the Board of Directors and management are very excited to finally announce a permanent home for RTP Credit Union. We believe this location will be conveniently located for those members who currently use our RTP branch office and will be a vital part of the credit union’s growth plans for years to come. We look forward to serving you here!”

- Doug Wilkerson, President

# RTP FCU Spotlight Award

## Second Quarter Spotlight Award Winner

Brittney Parrish was selected as second quarter Spotlight Award Winner for exceeding the management team's expectations by going above and beyond the call of duty to demonstrate RTP Federal Credit Union's core values. Thank you and congratulations to Brittney for her hard work and dedication!

### Brittney Parrish, Member Service Representative

Brittney is an invaluable asset to RTP FCU. She consistently goes above and beyond in providing superior, personalized service to our members. Brittney has taken over additional duties while managing her daily responsibilities with excellence. As a top performer and a wonderful co-worker, she demonstrates a positive attitude on a regular basis and is always willing to assist when needed.

## Fall Into Savings This Season

With summer coming to an end, your pockets may need a break from spending. Whether you'd like to save for the winter holidays or you're on a budget, there's plenty of ways to save this fall.

**Make your own decorations.** Fall is the beginning of decorating season. Don't feel pressured to go out and spend on holiday décor. Be inspired by what's around you. Start with simple pieces throughout your home and yard, such as like frames and pinecones, and get creative. What a great, relaxing way to spend a beautiful fall day.

**Dine at home.** With fall weather comes cooler temperatures. It's the perfect time to snuggle up with a bowl of chili. Save money by cooking some of your best fall dishes or practice making other holiday favorites in the comfort of your home.

**Weatherproof your house and vehicles.** Preparing your home and cars for colder weather could save you money in the long run. Clean out your furnaces, make repairs, check your antifreeze, and test your tires to get ready for winter.

**Become your own barista.** Those seasonal hot beverages can be very tempting, but don't give in. Try making your own version of your fall favorites at home.

## Join Our Supervisory Committee

The credit union currently has one vacant position on its Supervisory Committee. The role of the Supervisory Committee is to ensure that regulatory audits and exams take place periodically, as required by credit union regulations, and to assist in any high level HR matters. The Supervisory Committee attends the regular monthly board meetings; but, is not a voting entity of board actions. It is an interesting activity for a Finance, IT or Human Resource professional who is seeking corporate level managerial experience. Four year degree required in Finance, Information or HR related field.

The Supervisory Committee members and Board of Director members are uncompensated volunteers who donate their time to participate in the governance and strategic direction of the credit union. Time requirements are about one and a half hours each month. If you are interested in this volunteer position and would like to know more details, please contact:
