We Say "Take the Rebate and Finance with Us"

When shopping for a new or used vehicle you have many options for financing, whether it's through the dealership or another lender like a credit union. It's often hard to know if you're getting the best deal, and oftentimes dealerships will throw in the option to choose a rebate/ cash back offer OR select the lower interest rate. Often you cannot have both so how do you decide? We say, "Take the rebate and finance with us!" With some of the lowest rates in town, let RTP FCU finance your vehicle.* And, if you receive a dealership rebate or cash back in addition to our low interest rate, you'll come out with more money; making a wise decision for your wallet. Even if you've already financed through the dealership, we can easily refinance your loan. Call us at (919) 941-5700 for additional information.

*Restrictions apply. Rate and terms subject to change and may vary based on credit history and profile. External refinances only.
